SUMMARY

I'm a Computer Science student at Punjab University with a strong passion for web and mobile app development. I have solid experience with the MERN stack (MongoDB, Express.js, React.js, Node.js) along with HTML, CSS, Tailwind, Bootstrap, and JavaScript. Currently exploring React Native and Next.js, and working with Firebase and Cloudinary. I enjoy building user-friendly applications, solving real-world problems, and continuously improving my skills.

PROFESSIONAL EXPERIENCE
